

## **STEP 2: TOOLS // 31 July - 30 December**

### **Imagine tools**

*The imagination has changed because the world has changed.*

*Imagining changes the real. Imagining is planning.*

*ToolsForAfter STEP 2 is officially started:*

*during STEP 2 everyone is asked to choose one or more scenarios  
from STEP 1 and invent a project, an idea, a solution.*

*It can be possible, probable, utopic, crazy.*

*You can submit old projects and create new ones,  
you can work on economics, designs, architectures, social issues,  
whatever topic you choose.*

*The selected projects will be part of ToolsForAfter's  
publications, exhibitions... (tbd)*

### **SUBMISSION INSTRUCTIONS BELOW**

### **Submission Instructions:**
